

Nominations to the ACT Radiation Council

The Health Directorate is seeking nominations for suitably qualified people for appointment to the ACT Radiation Council (the Council). The appointment will be for a term of approximately three years, expected to commence on 1 October 2018.

The Council is established under the *Radiation Protection Act 2006* and has the functions of issuing radiation licences, registering regulated radiation sources and advising the Minister on radiation protection issues.

Appointments to the Council will be made to satisfy the following specific roles required under the Act:

- (a) a member of the public; and
- (b) 1 member who is a doctor registered under the Health Practitioner Regulation National Law (ACT) in the specialist area of radiology; and
- (c) 1 member with expert knowledge of the physical properties or biological effects of radiation; and
- (d) persons who, in the Minister's opinion, have qualifications or experience relevant to assisting the council carry out its functions.

The Council meet on a six weekly cycle at the Health Protection Service located at Howard Florey Centenary House, 25 Mulley St, Holder, ACT. Appointed members may be eligible to receive payment for attending Council meetings, at levels set by the ACT Remuneration Tribunal.

Expressions of interest, including a current Curriculum Vitae should be submitted by **COB Friday 16 June 2018** to:
