APPLICATION FOR STUDENT MEMBERSHIP

Individuals may apply for student membership if they have an interest in radiation protection and are studying in a full-time capacity at a secondary or tertiary education institution.

This form is intended for electronic submission. It may be printed and hand-written; if space is insufficient extra pages may be added.

Part A: Student Details

1. Name and contact details

Name:

Address:

Phone No.

Email Address

2. Evidence of enrolment

Name of educational institution:

Name of enrolled course:

Expected year of completion:

Applicants are required to provide evidence of full-time enrolment with their application. Evidence included?

Part B: Declaration by Applicant

I certify that the information given in this form is correct and hereby apply for election as a STUDENT MEMBER.

If elected a Student Member of ARPS the rules of the Society, as laid down in the Society's Constitution, will be adhered to.

I wish to have my contact details published in the Membership Directory

I do not wish to have my contact details published in the Membership Directory

If neither selected, details will be published.

Signature:

Submission of application

Email the completed application to: secretariat@arps.org.au

Payment

Fees for student members are waived for the duration of their full-time study.

Benefits

Student membership entitles the student to the following benefits:

- Access to the members only area of the ARPS website
- Access to local ARPS Branch/ARPS Group news and events
- Receiving the *Journal of the Australasian Radiation Protection Society* via email
- Receiving the ARPS newsletter via email
- Free access to webinars
- Free publishing in the *Journal of the Australasian Radiation Protection Society*
- Reduced conference attendee rates
- Access to student funding/sponsorship to assist with career development
- Access to work opportunities (e.g. work experience and/or mentoring)
- Access to a professional network and mentorship
- Access to ARPS cognate societies
- Notifications of job vacancies relating to radiation protection

Part-time Students

Students who are studying part-time do not meet the criteria of a Student Member. Please consider applying for an Associate or Affiliate grade of membership.
